Message from our beloved Pope Francis June 19, 2022

Dear brothers and sisters, *buongiorno* and blessed Sunday!

Today in Italy and in other countries, the Solemnity of the Most Holy Body and Blood of Christ is celebrated. Instituted during the Last Supper, the Eucharist was like the destination of a journey along which Jesus had prefigured it through several signs, above all the multiplication of the loaves narrated in the Gospel of today's Liturgy (cf. *Lk.* 9:11b-17). Jesus takes care of the huge crowd that had followed him to listen to his word and to be freed from various evils. He blesses five loaves and two fish, breaks them, the disciples distribute them, and "they all ate and were satisfied" (*Lk.* 9:17), the Gospel says. In the Eucharist, everyone can experience this loving and concrete attention of the Lord. Those who receive the Body and Blood of Christ with faith not only *eat*, but *are satisfied*. *To eat* and *to be satisfied*: these are two basic necessities that are satisfied in the Eucharist.

To eat. "They all ate", writes Saint Luke. As evening fell, the disciples counsel Jesus to dismiss the crowd so they can go in search of food. But the Teacher wants to provide for that too – he also wants to feed those who had listened to him. The miracle of the loaves and fish does not happen in a spectacular way, but almost secretly, like the wedding at Cana – the bread increases as it passes from hand to hand. And as the crowd eats, they realize that Jesus is taking care of everything. This is the Lord present in the Eucharist. He calls us to be citizens of Heaven, but at the same time he takes into account the journey we have to face here on earth. If I have hardly any bread in my sack, He knows and takes care of it himself.

In addition to *eating*, however, we cannot forget *being satisfied*. The crowd is satisfied because of the abundance of food and also because of the joy and amazement of having received it from Jesus! We certainly need to nourish ourselves, but we also need to be satisfied, to know that the nourishment is given to us *out of love*. In the Body and Blood of Christ, we find his *presence*, his life given for each of us. He not only gives us help to go forward, but he gives us himself – he makes himself our traveling companion, he enters into our affairs, he visits us when we are lonely, giving us back a sense of enthusiasm. This *satisfies us*, when the Lord gives meaning to our life, our obscurities, our doubts; he sees the meaning, and this meaning that the Lord gives satisfies us. This gives us that "more" that everyone is looking for – namely, the *presence* of the Lord! For in the warmth of

Please pray for our departed brothers.

his presence, our lives change. Without him, everything would truly be grey. Adoring the Body and Blood of Christ, let us ask him with our heart: "Lord, give me that daily bread to go forward, Lord, satisfy me with your presence!" May the Virgin Mary teach us how to adore Jesus, living in the Eucharist and to share him with our brothers and sisters.
