GRAND KNIGHTS MESSAGE

"Render to Caesar the things that are Caesar's, and to God the things that are God's."

I begin with this popular quote from Our Lord to remind us of our civic responsibilities as we enter upcoming elections. I am here not to tell you which way to vote but to become part of the process that gives authority to officials that are charged with governing our land.

Please also remember to respect all choices, all voters and to come together to work for the betterment of our family and community. Which now brings me to another important vote and that is the vote for our Building Board Council. As we witnessed in August this board is responsible as the lifeline the exists within the building. There will be vacant seats that need to be filled. Come down on November 15 @800pm and be part of the process that has an enormous responsibility to Council 41.

Pope's Corner: Power of the Rosary

More than 840,000 responded to the pope's call to pray the rosary for peace

More than 840,000 people from 140 countries joined in praying the rosary Oct. 18 to ask for peace and unity throughout the world.

The pontifical foundation Aid to the Church in Need (ACN) organized the annual prayer initiative, which saw parishes, schools, and families from around the globe take part.

At his Angelus prayer last Sunday, Pope Francis lent his support to the effort and encouraged parents to join their children in praying for the people of Ukraine in particular.

"Let us join them and entrust to the intercession of Our Lady the martyred Ukrainian people and other peoples who suffer due to war and every form of violence and poverty," the Holy Father said.

"We are very happy with the response. All over the world children came together to pray for peace, even in countries currently at war. The Greek Catholic Church of Ukraine, for example, informed ACN that the initiative was promoted in all its parishes and there were also pictures of children participating in Pemba, in Mozambique, which has been badly affected by terrorism over the past years," Thomas Heine-Geldern, executive president at ACN International, said.

"Some of the numbers are amazing! Poland leading with almost a quarter of a million, followed by Slovakia with 190,000. In Australia and in India many children took part also," Heine-Geldern said.

According to ACN, hundreds of schools around the world took part. Fifty schools officially joined the initiative in Kenya alone, and schools from Spain, Great Britain, South Korea, Argentina, Chile, Mexico, and many other nations were among those who prayed together.

The prayer initiative, called "A million children praying the rosary" had its inspiration in 2005 when a group of children was seen praying the rosary at a local shrine in the Venezuelan capital Caracas. Some of the adults who witnessed the scene were reminded of the words of Padre Pio, who once said, "When a million children pray the rosary, the world will change."

Since then, the campaign, promoted by ACN, has spread across the world.

ANNOUNCEMENTS

Here at Council 41, we take pride in the four pillars of the order: Charity, Unity, Fraternity and Patriotism. I always like to highlight our members in action. There is so many members to include friends and family that I could write a novel. This month I like to highlight two members: John Johnson.

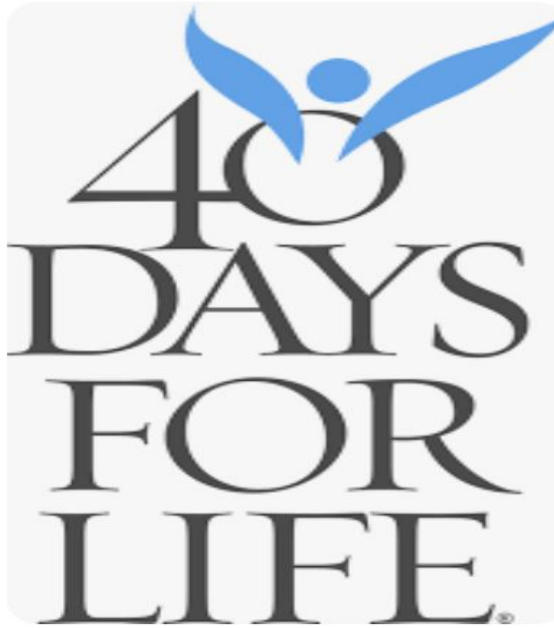

If the Knights of Columbus ever had a popularity contest John would win hands down. He is the unofficial mayor here at Council 41. He seems to know everyone throughout the city. Johnny as he is known as has been an active member going back to the days of Father McGivney (okay not that long). He is a proud member of Council 41, Assembly 109 and our prestigious Honor Guard.

Covid 19 canceled all children events for the past two years and when John found out of the possibility there would be no children's Halloween party, John, visibly upset, would not have any part of it. John, lobbied the council and received a minimal budget to have a small event for the children.

We then learned nothing is small with John. More important, we learned about the kind heart within this special person. As you will hear John Johnson is a true Knight that we can look to for mentoring. John heard about new families in Stamford both from Eastern Europe and south of the USA. John wanted to make sure the children of these families did not feel left out and wanted to include them in our celebration. Brothers and Sisters, this is the work of the Lord and may we look to these good deeds as we get closer to the Christmas season. Thank you, brother John!

It was an amazing community party in the light of our Lord. 150+ people showed. The event included: music, children dance contest, arts and crafts, face painting, costume parade and a best costume contest. Enough can't be said about the deserts: ice cream, cupcakes, cookies and cake.

COLUMBUS DAY

Here at the Knights of Columbus, we continue to recognize Columbus not only for navigational skills and opening up trade rights to the New World but for his ability to spread the Word of our Lord. The Knights of Columbus participated in a mass at Sacred Heard as well as the Amore festival. Columbus Day Celebration could not be any better, honoring Nino Antonelli for his long-term dedication to the Italian Community.

We do have requests from the Bishop's Office for special masses and wakes and funerals during the year. We are increasing our Color Guard membership ranks and all 4th Degree members are welcome to participate! Call me, FN Ray Downey 203-253-5601 redowney@optonline.net for information.

God Bless America!
